

Stand by Me

Oasis

Album: *Be Here Now*

Año de publicación: 1997

Compositor: Noel Gallagher

*Made a meal and threw it up on **Sunday**
I've got a lot of things to learn
Said I would and I'll be leaving one day
Before my heart starts to burn*

*So what's the matter with you?
Sing me something new
Don't you know the cold and wind and rain don't know?
They only seem to come and go away*

*Times are hard when things have got no meaning
I've found a key upon the floor
Maybe you and I will not believe in
The things we find behind the door*

*So what's the matter with you?
Sing me something new
Don't you know the cold and wind and rain don't know?
They only seem to come and go away*

*Stand by me
Nobody knows the way it's gonna be
Stand by me
Nobody knows the way it's gonna be
Stand by me
Nobody knows the way it's gonna be
Stand by me
Nobody knows
Yeah, nobody knows
The way it's gonna be*

*If you're leaving, will you take me with you?
I'm tired of talking on my phone
There is one thing I can never give you
My heart will never be your home*

So what's the matter with you?

*Sing me something new
Don't you know the cold and wind and rain don't know?
They only seem to come and go away
Hey, hey*

*Stand by me
Nobody knows the way it's gonna be
Stand by me
Nobody knows the way it's gonna be
Stand by me
Nobody knows the way it's gonna be
Stand by me
Nobody knows
Yeah, nobody knows
The way it's gonna be
The way it's gonna be, yeah
Maybe I can see, yeah*

*Don't you know the cold and wind and rain don't know?
They only seem to come and go away
Hey, hey*

*Stand by me
Nobody knows the way it's gonna be
Stand by me
Nobody knows the way it's gonna be
Stand by me
Nobody knows the way it's gonna be
Stand by me
Nobody knows
Yeah, God only knows
The way it's gonna be*
